QUESTIONS FROM EMAILS and ANSWERS:

Q1. We are interested in submitting a proposal for the Financial Rate Study, however, we are not currently registered to do business within the Commonwealth of Virginia. Would a commitment to become registered immediately if awarded the project be acceptable in order to submit on this project?

A1. The RFP does not specifically prohibit a Virginia non-registered firm from submitting a proposal. However, the fact that a firm is not registered would be a significant factor during the evaluation process.
